MONICA RODRIGUEZ

FOR CITY COUNCIL

Problem Solver & Independent Leader

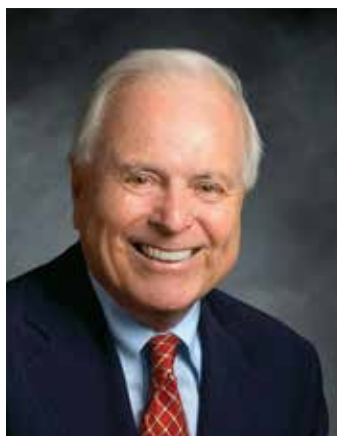

A Leader who Delivers for the Valley

As a lifelong Valley resident, businesswoman, and a mom, Monica Rodriguez understands that Valley neighborhoods have been neglected too long.

Serving on the Public Works Commission, Monica brought independent leadership and strong advocacy for our communities.

Monica is the only candidate with proven experience and an unparalleled record:

- ✓ Holding City Departments accountable to taxpayers
- ✓ Protecting our tax dollars from waste and abuse
- ✓ Making neighborhoods and streets safer
- ✓ Helping small businesses cut red tape and create local jobs
- ✓ Delivering high-quality services and the Valley's fair share

“As a strong, independent leader with a record of delivering for the Northeast San Fernando Valley, Monica Rodriguez is the best choice for City Council.”

RICHARD RIORDAN

Former Mayor & Businessman
